NSW: LAND PER STUDENT AT INNER SYDNEY GOVERNMENT SCHOOLS

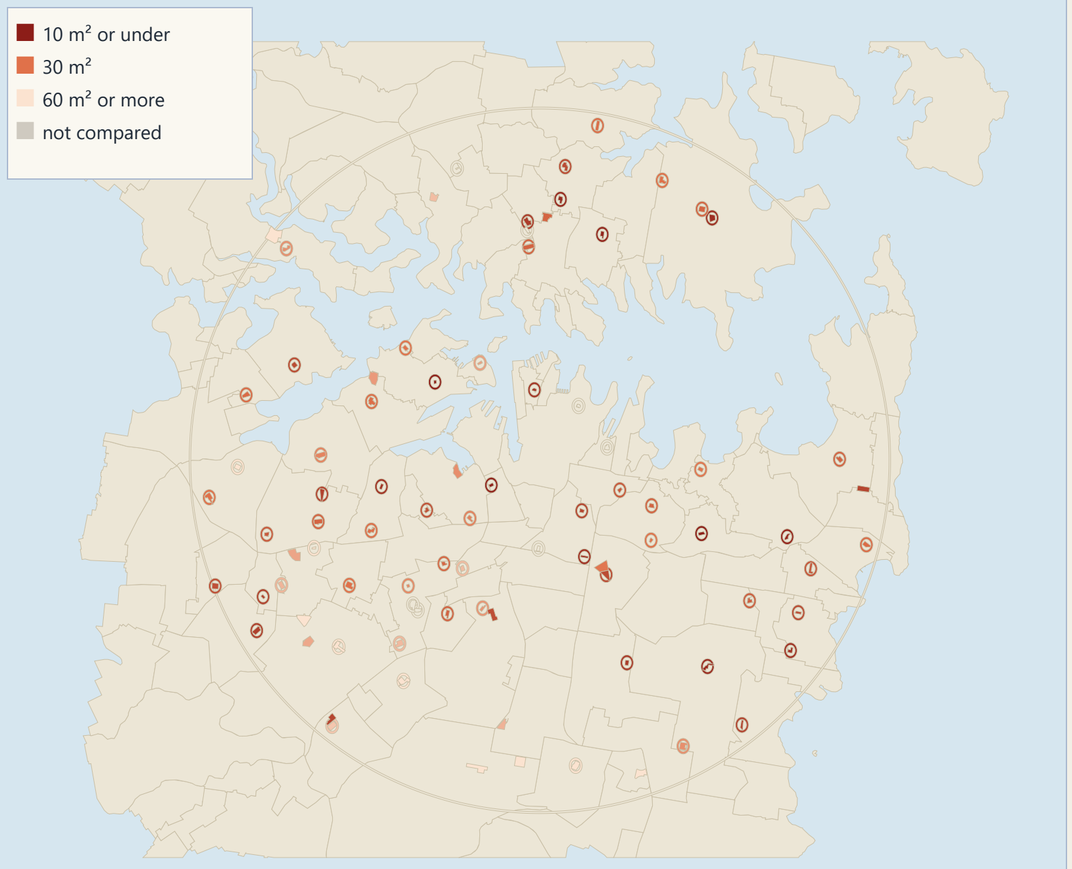

School land from outlines made in Plotlay. Enrolments are headcount. The year slicer sets the cards and the table; the map shows 2024.

Enrolment year

2024

Schools compared	Median m² per student, primary	Median m² per student, secondary	Schools under 15 m² per student
79	28.1	29.4	10

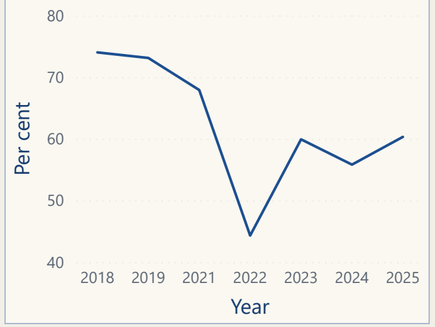

m² of land per student, 2024

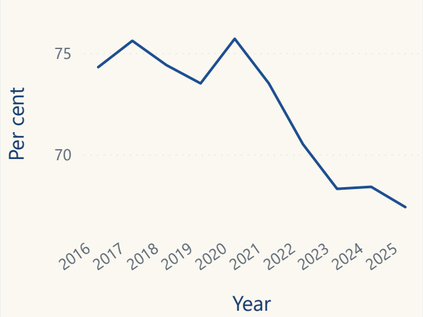

Recurrent spend per student, real 2023-24 dollars

Students attending 90% or more of days, Years 1 to 10 (%)

Apparent retention, Year 7 or 8 to Year 12 (%)

Compared schools, least land per student first

School	Level	Students	Land (m²)	m² per student	Outline grade
Balmain Public School	Primary	335	3,485	10.4	A
Woollahra Public School	Primary	701	7,295	10.4	A
Ultimo Public School	Primary	478	5,350	11.2	A
